All denominational schools

Our Lady's N.S. is a school whose objective is to provide education in an environment which promotes certain religious values and does not discriminate where it refuses to admit as a student a person who is not Catholic and it is proved that the refusal is essential to maintain the ethos of the school.

4. Categories of Special Educational Needs catered for in the school/special class

Our Lady's N.S. with the approval of the Minister for Education and Skills, has established one class to provide an education exclusively for students with Autism Spectrum Disorder. (ASD)

The following criteria will apply when making an application for one of these classes

Enrolment of Children in the Special Classes for children with Autism

- Each child must have a full current Psychological & Cognitive Assessment, which must specify a diagnosis of '**Autism**' i.e. **DSMV or ICD10** and a **recommendation for a special class placement in a mainstream school from such a professional report.**
- The parents/guardians must fill in and return a School Enrolment form as for all pupils. All relevant reports and assessments must be given to the school once the child has been offered a place in the school.
- The Department of Education & Skills states that the ratio for each class is a maximum six pupils to one teacher and two SNAs. There must be more than three pupils to access the second SNA.
- The classes will be co-educational and will cater for children of primary school age only – i.e. four years to thirteen years.
- In accordance with section 23(4) of the Education (Welfare) Act a parent/guardian must confirm compliance with the school's Code of Behaviour. The Board of Management reserves the right to refuse enrolment if this confirmation is not received prior to the pupil attending the school. The Board also reserves the right to continue to suspend or expel a child under 'Health & Safety' regulations and in conjunction with the school 'Code of Behaviour' as per the National Education Welfare document if the need should arise.
- A placement breakdown can sometimes occur. All placements are subject to review at the request of the parents and/ or the school. The review will include input from all agencies involved (through a multi-disciplinary team meeting), the parents/guardians and the school. Following the review a recommendation may be made that the child be enrolled in a school that can better meet his/her needs.
- First preference will be given to pupils attending Our Lady's N.S. where a transfer will take place from mainstream to special classes if criteria have been satisfied.

Integration will be determined based on the individual needs of the child, and through discussion with the parents/guardians and the relevant class/support teacher. Following agreement, phased integration will take place into the school as appropriate.

This school shall admit each student seeking admission except where –
